It is well known that the main objective of the scientific research is the publication of the results in papers, books, technical reports, thesis, among others sources of dissemination. Every researcher requires to do a good scientific writing. However, writing a paper is a challenge task that requires a lot of creative work. The main goal of this workshop is to give some advices/guidelines for writing a paper on inventory field and its related topics. This workshop is for M.Sc. Students and PhD students.

OBJECTIVE of Workshop

Basically, this workshop provides a brief summary of the whole process of writing a scientific with the end goal to have a finished paper on inventory field and its related topics. The objectives of the workshop are:

- ✓ Discuss the whole process of writing a scientific paper
- ✓ Read papers related to inventory field
- ✓ Identify ideas for writing a new paper
- ✓ Write a paper
- ✓ Establish relationship for new collaboration research

Learning OUTCOME

After the completion of the course it is expected that the participants will know how to choose the right research area of their interest, collect literature from various bibliographical sources, write research papers, communicate manuscripts to journals, and reply to reviewer comments. The participants will also learn the preparation of research papers, reports or thesis.

Who Should Attend

- ✓ Aspiring Researchers and Students
- ✓ Research Scholars
- ✓ Young Faculty Members

HIGHLIGHTS of Workshop

- ✓ Types of research, steps involved in research process, formulation of research problem, Research design
- ✓ Structure of a research paper
- ✓ Generating and choosing an idea
- ✓ Connecting with the reader
- ✓ Literature review (with focus on review-based papers)
- ✓ Drafting a research paper, Citations and referencing
- ✓ Top reasons for rejection of papers
- ✓ Review papers and qualitative research
- ✓ Journal selection, impact factor, h-index\ i-index\ g-index
- ✓ Ensuring maximum downloads of your papers
- ✓ Building research networks
- ✓ Manuscript communication to journals & replying to reviewer comments
- ✓ Ethical issues, plagiarism and how to deal with it

RESOURCE PERSON

**Prof. Leopoldo Eduardo Cárdenas-Barrón****School of Engineering and Sciences Tecnológico de Monterrey, Monterrey México**

Professor Leopoldo Eduardo Cárdenas-Barrón is currently a Professor at School of Engineering and Sciences at Tecnológico de Monterrey, Campus Monterrey, México. He is also a faculty member in the Department of Industrial and Systems Engineering at Tecnológico de Monterrey. He was the associate director of the Industrial and Systems Engineering Programme from 1999 to 2005. Moreover, he was also the associate director of the Department of Industrial and Systems Engineering from 2005 to 2009. His research areas include primarily related to inventory planning and control, logistics, supply chain and optimization. He has published papers and technical notes in several journals.

COMMITTEE

CHAIRPERSON

Chandra K Jaggi, University of Delhi, Delhi, India

CONVENER

Aditi Khanna, University of Delhi, Delhi, India

COORDINATOR

Jitendra Singh, University of Delhi, Delhi, India

How to REGISTER

This workshop is open to all the research scholars/academicians of institutes/industry persons from all over the world. However, number of participants is limited to 40 on first-come first served-basis. Interested candidates may send their filled-in registration form through email at etiscrm@gmail.com on or before **November 15, 2018**. Registration fee can be paid through bank DEMAND DRAFT in favour of 'Emerging Trends in Inventory, Supply Chain and Reliability Modeling' payable at 'New Delhi' or online transfer as per the details mentioned below:

Participation FEE

Participant Category	National (in ₹)
Academician	3000
Research Scholar	2000
Student	1500

*Accommodation will be arranged in the campus based on availability on chargeable basis.

Account Name	Emerging Trends in Inventory, Supply Chain and Reliability Modeling
Account No.	020494600000568
Bank Name	Yes Bank
Branch Name	Kamla Nagar, New Delhi
IFSC	YESB0000204
Swift Code	YESBINBB
